B&C TROPHY RINGS

The Boone and Crockett Club is pleased to offer trophy recognition rings, custom made for you by one of the most respected recognition ring manufacturers in the world.

Each ring features a relief of the species and the location of your hunt on one side and an engraving of your trophy's B&C score, the Boone and Crockett Awards medallion, and the Awards period your trophy was entered into the records book on the opposite side.

Trophy Recognition Rings are available in STS Silvertone, Sterling Platinum, or 10K Yellow Gold, with your choice of center stone in smooth, facet cut, or buff faceted cut. The STS Silvertone is one of the most popular recognition ring metals and offers the look and feel of white gold, but in a more durable wear and dent-resistant metal. The Sterling/Platinum offers a handsome, yet tough metal option with the look of sterling silver. The 10k Gold is a durable, heavy pennyweight ring. Make your ring more personalized! For no additional charge you may have the inside of your ring engraved with your name or details about your hunt... get creative, it's up to you! Spacing allowed for up to 50 characters.

CUSTOM OPTIONS

You can choose to further customize your ring with two 10-point cubic zirconia on the ring bezel, or two real 10-point diamonds. We can also shape and polish your elk ivory to use in place of the center stone.

- ADD 2 CUBIC ZIRCONIA — \$20
- ADD 2 DIAMONDS — \$500
- USE YOUR OWN ELK IVORY — \$300

RING SIZING

If you do not know your ring size it is recommended that you visit a jeweler for sizing or call and we will send you a ring-sizing template. Ring sizes are available from 7.5 to 16+. For ladies' rings or sizes 7 and under, call 406-542-1888 for special discounted pricing.
