RECORDS OF NORTH AMERICAN BIG GAME, 14TH EDITION

TWO-VOLUME PAPERBACK SET

Long considered “The Book” of big game records, Boone and Crockett Club’s newest edition of its all-time records book is the most complete listing that catalogs the greatest big game ever taken in North America.

WHAT’S INSIDE:

- Listings of more than 32,000 North American big game trophies in 38 categories including B&C final and gross scores, detailed measurements, plus location and year taken.
- Four new World’s Records since the previous edition—Alaska-Yukon moose, pronghorn, Rocky Mountain goat, and bighorn sheep.
- Stories, photos, and score charts for the World’s Records, plus over 300 images of the top-ranking big game animals.
- Over 350 color field photos.

These one-of-a-kind records books live up to their long-standing reputation. In its fourteenth edition since the original book was published in 1932, this new edition has grown to over 900 pages split between two-volumes, not sold separately.

NOTE: Only big game records that were accepted before December 31, 2015, are included in this book. Trophies accepted after that date will be included in our 30th Big Game Awards book, due out in fall 2019.
