

There would be law.

Although the formation of the Boone and Crockett Club by Theodore Roosevelt and George Bird Grinnell was motivated over a concern for the declining health and populations of big game species across North America, it did not take early Club members very long to realize that if real change was going to take place the playing field for this change would be in Washington, D.C.

*Celebrating the
Boone and
Crockett Club's
125th Anniversary*

For the past 125 years, right up until this day, the Boone and Crockett Club has played a major role in fighting the good fight by crafting, proposing, gaining political and public support for, and helping to pass critical wildlife and conservation legislation. The Club legacy of accomplishment is staggering when viewed end-to-end. Here are just a few of these milestones.

1889
TIMBERLAND RESERVE
BILL

1903
NATIONAL WILDLIFE
REFUGE SYSTEM ACT
