

FIELD GENERAL'S LUNCHEON

Boone and Crockett Club began hosting the Field General's luncheons in Reno at the 27th Big Game Awards in 2010. Since then, participation has increased, and the event this past August was a great success once again.

The Boone and Crockett Records Committee takes this opportunity to host this event as a token of our appreciation for the countless hours and effort our Official Measurers put into the organization. Highlights of this year's event included Official Measurer (OM) Brian "Bucky" Ihlenfeldt receiving his Kimber rifle in recognition of signing up more than 100 Associates for the Club. OM Sam Cowan was the lucky raffle winner of our new custom Remington B&C rifle sponsored by the Records Committee, and the five longest-tenured OMs in attendance were called to the stage and recognized individually for their long and distinguished scoring careers. They included Larry Carey of Spokane, Washington, appointed in 1981, Dave Boland of Chatfield, Minnesota, appointed in 1979, Jack Reneau of Missoula, Montana, appointed in 1976, Mark Bara of Hemmingway, South Carolina, appointed in 1976, and the longest serving OM and current vice president of Big Game Records, Eldon "Buck" Buckner, from Baker, Oregon, appointed in 1968. All Measurers in attendance were given a custom-designed 30th Big Game Awards Official Measurer belt buckle.

Custom Official Measurer 30th Big Game Awards belt buckle.

Eldon "Buck" Buckner received his buckle and was recognized as the longest serving OM and current vice president of Big Game Records. Buck was appointed in 1968.

WINNER! OM Sam Cowan won the Remington OM rifle that was given away at the luncheon.

Thank you to everyone who has signed up new B&C Associates. See the complete list of OM rankings on page 72. **BELOW LEFT:** Associates Committee Chairman, Jayson Arnold, presented Bucky Ihlenfeldt with a Kimber rifle for signing up 100 Associates. **BELOW RIGHT:** The top four Official Measurers were recognized for signing up Associates. Left to right: Bucky Ihlenfeldt, Stanley Zirbel, Ken Witt, and Philip A. Herrnberger.
