SPECIAL JUDGES PANEL

A Special Judges Panel (SJP) will be convened during spring or early summer to re-score and certify any potential World's Records entered since last year. The date hasn't been set, but anyone sitting on any potential World's Records should submit them to this office at the earliest possible date to insure they will be accepted in time to be invited to the SJP. If any potential World's Records miss this SJP, their final scores won't be verified until the 25th Awards Program Judges Panel meets in April 2004 in Kansas City, Kansas.
