IT'S OKAY TO BREAK THE RULES – IF YOU'RE THE ONE WHO MAKES THEM.

INTRODUCING THE VX-L™. MAXIMUM LIGHT. MINIMUM HEIGHT. That's what the Leupold® VX-L delivers, in a bold, revolutionary design that's as ergonomic as it is advanced. Our engineers created a crescent in the VX-L objective lens to give you the incredible low-light performance and full sight picture of a large objective lens, with the exceptional balance, quick aiming, and cheek weld of a low mount. The 56mm VX-L models mount like a 40mm rifle scope, with 96% more Total Light Throughput™! We were told a scope like this couldn't be made, that it broke all the rules. At

Leupold, we make the rules. So we broke them all to bring you the new VX-L. To learn about the VX-L and its other advanced features, call 1-800-929-4949 for the Leupold Dealer nearest you, or visit www.leupold.com.
