

# JACK STEELE PARKER

# GENERATION NEXT

The Boone and Crockett Club would like to celebrate young hunters who have embraced the outdoor way of life and embody the spirit of fair chase hunting. The following is a list of the most recent big game trophies accepted into Boone and Crockett Club's 30th Big Game Awards Program, 2016-2018, that have been taken by a youth hunter (16 years or younger). All of the field photos in this section are from entries that are listed in this issue and are shown in **bold orange text**.

This listing represents only those trophies accepted since the Summer 2017 issue of *Fair Chase* was published.

## PUT HOLES IN YOUR **TARGET. NOT YOUR BUDGET.**

There are only two ways to build a less expensive riflescope. Some do it by reducing the quality of its glass, components and construction.

The other is to build it more simply, with fewer options, without compromising on quality.

In developing our SHV™ series, we chose the second approach.

Apparently it worked. Two *Outdoor Life* Editor's Choice awards. Rave reviews from experts. And thanks from shooters who "always wanted a Nightforce," but found the price a bit out of their reach.

We cut no corners. Only the cost.

SHV™  
3-10 x 42

SHV™ 4-14 x 56

SHV™ 4-14 x 50 F1

SHV™ 5-20 x 56
