GENERATION NEXT

The Boone and Crockett Club would like to celebrate young hunters who have embraced the outdoor way of life and embody the spirit of fair chase hunting. The following is a list of the most recent big game trophies accepted into Boone and Crockett Club's 30th Big Game Awards Program, 2016-2018, that have been taken by a youth hunter (16 years or younger). All of the field photos in this section are from entries that are listed in this issue and are shown in **bold orange text**.

This listing represents only those trophies accepted since the Fall 2017 issue of *Fair Chase* was published.
