Thank you to all the Lifetime Associates that attended the Boone and Crockett Club's 28th Big Game Awards, as well as our Luncheon!

For those of you that were able to attend our Lifetime Associate Luncheon at the 28th Awards celebration in Reno, thank you very much. The event was a most successful and enjoyable time, allowing members and friends of the Boone and Crockett Club to mingle, share stories, and learn more about our activities, accomplishments and mission to ensure the future of our nation's wildlife and natural resources.

Congratulations to the winners of the Mexico mule deer hunt and the beautiful pair of Buck Knives. A big thank you to Armando Naranjo Rivera and CJ Buck for the donations.

*For those of you that weren't able to attend we wish you could have been there and we will be sure to give everyone advanced notice for any events in the future.*

Thanks again for attending and if you have any questions, please let us know.
