TRAIL CAMERA PHOTOS FROM BOONE AND CROCKETT CLUB'S THEODORE ROOSEVELT MEMORIAL RANCH

Dupuyer, Montana

## FROM OUR CAMPSITE TO YOURS!

There is a place on Montana's Rocky Mountain Front that attracts all that is wild. It just so happens that this place is on the Boone and Crockett Club's Theodore Roosevelt Memorial Ranch. The place is called The Campsite, and it's truly special. Here, grizzly bears chase moose, mature mule deer bucks plow through snow drifts, mountain lions slink by at night, bull elk literally run into trees, and so much more. And perhaps the most beautiful thing? It's all caught on video.

If you have not had a chance, watch our eight-minute compilation video that offers a window into a truly wild and unique place. Use the QR code below to link directly to the video or visit [www.Boone-Crockett.org](http://www.Boone-Crockett.org).
