STORMY L. CUNNINGHAM

KADE M. FRALEY

The legal age to hunt in New Mexico is nine, and Stormy Cunningham's parents had been planning this pronghorn hunt since she was born. Before she turned nine, Stormy had prepared for this hunt for years and dialed in her .270 Winchester Short Mag. When the time came, they hunted a ranch owned by a family friend, who had saved a landowner tag for Stormy.

They set out early in the morning with their guide and were able to get within 170 yards of a buck that was known around the ranch. Stormy took one shot and the buck fell over about 50 yards away. The group was ecstatic and took pictures with the enormous horns. The buck measured over 90 inches. After the drying period, it had a final score of 88-6/8, making it a once-in-a-lifetime trophy.
