INTRODUCING
**GUNS FOR
CONSERVATION**

A dynamic way to support the Boone and Crockett Club

GUNS FOR CONSERVATION

Guns For Conservation provides you with the opportunity to support the Club by donating firearms, sporting collectibles, wildlife art and hunting books. The program is both simple and flexible, allowing contributions to be made at any time, scheduled over time or formally integrated into the estate planning process.

Funds raised from the **Guns For Conservation** program are placed in the Boone and Crockett Club Foundation endowment where the principal remains intact. The annual interest income generated is then dedicated to vital conservation programs.

The Club has chosen to work with our friends at Sportsman's Legacy to ensure that every aspect of the program will be handled legally and professionally. Sportsman's Legacy also stands ready to assist you with all aspects of planning, legal transfer, transport and other logistics.
